

## A Heartfelt Thank You and Exciting News From Alli

Dear Patients,

It is with mixed emotions that I share with you the news of my departure from Dermatology & Skin Cancer Center, where I have had the privilege of serving as your aesthetician for the past 10 years. It has truly been an incredible journey, and I want to take this opportunity to thank each and every one of you for your trust, loyalty, and support throughout the years. Your confidence in my work has meant the world to me, and I feel so fortunate to have been a part of your skincare journey.

I am incredibly grateful to Dr. Hudgens and the entire team at Dermatology & Skin Cancer Center for the opportunities I've been given. Together, we've built lasting relationships and made a positive impact on countless lives, and I will always cherish the memories of working alongside such a wonderful team.

While this is a bittersweet goodbye, I am excited to share that I will be continuing my aesthetician services at Body By Skin Med Spa, a new and exciting medspa in Winter Garden where I will be able to offer even more advanced treatments in a beautiful, welcoming environment. I would be honored to continue serving you there and to help you maintain the glowing skin you deserve.

You can begin scheduling appointments at Body By Skin Med Spa now, and I will begin seeing patients there on **April 22nd**. When scheduling your appointment, please be sure to mention that you are a client of mine from Dermatology & Skin Cancer Center, and we will ensure a smooth transition of your care. You can reach out to me directly at [Alli@BodybySkinMedSpa.com](mailto:Alli@BodybySkinMedSpa.com) or contact the team to schedule at 386-378-6937 or [bodybyskinmedspa.com](http://bodybyskinmedspa.com) to book your visit.

Please note that my last day at Dermatology & Skin Cancer Center will be **April 18th**.

Thank you again for being such an important part of my journey. Your loyalty means more than words can express, and I hope to see you soon at Body By Skin Med Spa.

With deepest gratitude,

Alli Glashower
